BRIEF ABSTRACT OF LETTER.

Represents that little improvement has occurred and therefore further action may be taken by Govt in the matter of the non-execution of warrants issued under the above named Acts, especially with reference to the suggestion of the D.S.P of the Nilgiris that a register be established for recording the history of all warrants.

NOTES AND ORDERS.

Subd. In 1910, there was a representation from the Association, that, in order to guard against the non-service of warrants issued under the Acts XIII of 1859 and I of 1903, the Police force might be increased in the Distt in which labour was largely recruited for plantation work.

and an order was passed No J 1202-10/Police 39-10-2 of 8th October 1910 requesting the I.G of Police and the Dt Magistrates of Dts to see that special attention was devoted to the execution of such warrants and that due notice was taken of the conduct of the Police where non service was due to the negligence on the part of the Police.

The Secy of the Association brings to the notice of Govt, that little improvement has occurred in the matter since then and that there is need for further action being taken in the matter, especially with reference to the suggestion of the D.S.P of Nilgiris that a register be established for recording the history of all warrants.

that plantas' warants are not, as a rule, executed in Mysore. In some cases at least of non service, the omission is not improbably due to misdescription of the defaulter. The remedy seems to lie in the plantas' own hands. If they send the recruiting "naiky" or some person who has seen the defaulter to help the local police in identifying him the chances of non service will be considerably minimised. The system of "hand warants" refd to in the discussion of the meeting (pp 95-97) can not apply to Mysore as Service of British India warants can only be effected through the Magistrates and police officers of Mysore.

We have already taken some action in this matter. Please see file no. 39-10 below. It is not clear if the maintenance of a new Register as suggested by the Association is necessary in Mysore. If action is considered necessary the Dy Inspr of Police may be consulted.

It seems to be difficult to get returns of warrants executed & not executed & the remedy seems to lie in taking severe notice of neglect in ~~not~~ individual cases.

The Judicial Gumastha, who is responsible for the delay has been fined Rs 5, and the explanation of the Amildar-Magte on the matter, has been Characterized by the D.-M. Mysore as unsatisfactory (Court file No 81-11 on the subject is before the Dewan).

I have read the discussion in the U P A meeting. We may wait & see what action the British Police will take on the Resolutions about opening a new register. If individual cases are brought to notice, severe notice may be taken of the remissness of the Police.
